Motion to Approve New By-Laws/ Motion to Incorporate May 1, 2018

Motion for CATR/ACRT to approve and adopt new by-laws prepared in accordance with the *Canada Not-for-profit Corporations Act*

These by-laws follow the format required by the Canada Not-for-profit Corporations Act, (CNCA), which all not-for-profit corporations are required to follow.

Motion to instruct the Board of Directors to change CATR/ACRT's status to an incorporated not-for-profit corporation with charitable status.

CATR is currently an unincorporated “not- for-profit organization” and a registered charity. In spring 2017, the CATR board discussed the risks of remaining unincorporated as well as the benefits of incorporation and came to a consensus decision to pursue incorporation. The board is now bringing this matter to a vote with the membership. If approved, the association will maintain its charitable status but will become an “incorporated not-for-profit corporation with charitable status.”
